File Photo : Mr. K. N. Jha (Vyavasthapak, Hindi Vidyapith) with Hon'ble President of India Dr. Shankar Dayal Sharma and the then State Minister, Finance (Govt. of India) Mr. Rameshwar Thakur at Rashtrapati Bhawan, New Delhi.

From the Chairman's Desk

Hindi Vidyapith, Deoghar was established in the pre-Independence period by our great freedom fighters to propagate meaningful education embedded with Indian Culture and Ethos. The tradition is being carried forward even today by the institution.

As we know that the teacher is the backbone of the society, he can mould pupils either as skilled engineer, pilot, doctor, professor, teacher, administrator, soldier, entrepreneur, good citizens etc. entwined with ethical values.

The need of hour is to build honest and efficient Hi-tech teachers, entwined with Indian virtues & cultural traditions. As per our ancient Vedic Cult, it maintains "Vidya Dadati Vinayam" i.e. "Modesty is the product of true enlightenment". Thus, our endeavor always remain to help the students to develop an understanding of the process of change and development both in terms of time and space but not at the cost of moral and spiritual values of our ancestral tradition and ethics.

Imbibing with the philosophy of ancient and modern trends of education, Hindi Vidyapith has established an ultra-modern value based College of Education to build up efficient teachers with intellectual development, dedication, commitment and punctuality.

Knowledge emanates from divinity and the task which our society has been bestowed is to carry forward the tradition of learning par excellence in future.

Wishing success in their life.

(Krishnanand Jha)

From the Principal's Desk

It is needless to mention that HVP B.Ed. College is Committed to academic excellence, discipline and creating noble & responsible citizens for the contry which is a need for the hour. I welcome the Teaching Community to this centre of Excellence on Teacher Education Programs at Hindi Vidyapith B.Ed College, Deoghar in Jharkhand. As we know that a Nation is built by its citizens, citizens are moulded by Teachers and Teachers are made by the Teacher Educators, so teacher is a facilitator who encourages learners to reflect, analyze and interpret in the process of knowledge construction.

Aiming at the Gandhian pursuit that "Education is the spirit of enquiry, the ability to keep one's mind and heart open to Truth, Beauty and Goodness," Hindi Vidyapith B.Ed. college was founded in the year 2014 by its parent organization Hindi Vidyapith with an objective of qualitative improvement of a teacher for all round development of human personality.

The challenges of 21st century are to be met by all of us. There is paradigm shift in relevance of knowledge in all the fields, we must acknowledge this and must equip ourselves to its changing needs. It has been our constant endeavor to impart high quality teacher education programs and training to our prospective teachers for the future academic excellence and placement.

We should keep in mind, the world teacher & philosopher Swami Vivekanand's perception in education, "We want that kind of Education by which character is built & man can stand on his own feet."

Friends! the Nobel and Historic Institution guides and inspires a direction in the pursuit of your teaching career and profession.

Thanking you.

(Dr. D. P. Mukhopadhyay)
