Action plan indicating the way students are familiarized with the diversities in Indian school systems

Students are familiarized with the norms and standards, functioning, assessment systems, state-wise diversities in school system in Indian through Course papers and during School Internship Orientation. In our campus, there is also an affiliated higher secondary English-medium school under CBSE, New Delhi, Students get easy access to learn and work about the functions of private management schools.

The following action plans are developed to address the concerns in order to familiarize the B.Ed. students with the diversities in Indian school systems:

Plan of Action	Action taken
Student teachers will be familiarized with the aspects of the schools.	Through Course papers
They will be familiarized with the norms and standards of the schools.	Through Course papers
They will be familiarized with the functioning of the schools and the functional differences among them.	Through Course papers
They will be familiarized with the school assessment system.	Through Course papers
They will be familiarized with the state-wise	Through Course papers
