Report on catering differential need and learning exposures provided to students

In Hindi Vidyapith B.Ed. College various curricular and extracurricular activities are organized to develop understanding about the culture, policies and practices needed to address and create an inclusive school. The college organizes various curricular activities such as seminar, debate, speech that are designed to enhance the knowledge and understanding of the students. These activities cover a wide range of subjects and provide the students with valuable insights into different aspects of education. In addition to the college also focuses on organizing extracurricular activities like sports events, cultural programs, literary competitions and community service programs that help in the overall development of the students. These activities not only foster teamwork, leadership and communication skills but also help the students to explore their interests and passions. By providing accessible and supportive environments for all students, the college ensures that every individual has the opportunity to achieve this full potential and participate fully in academic & social life.
